**Dear Aaron,**

***I hope this letter finds you and your comrades safe and in good health. We at SORD are happy to share with you the gift we received from BED BATH and BEYOND in the form of Keurig Coffee Cups.***

***Enclosed in each of the four packages we sent to you and your comrades are approximately 120 Keurig K cups. There were 3 different donors that contributed toward the postage needed to send these packages to you. Two were past Vietnam Vets, Retired Army Sergeant James May, who is on my left, and the gentleman on the right is Larry Wayne Clariday, who served in Vietnam as a communication officer and then later served in Washington DC at the Pentagon. The third donor is Shirley G. Smith, whose deceased husband served in the US Air Force during the Vietnam War.***

***We are very glad that you called me about your desire and need. As you know, we in Oklahoma are quite honored by young men such as yourselves who serve and protect our nation. We are happy to help you in any way we can and please ask anytime. SORD's corporate office is located just 13 miles North of Sheppard Air Force Base, 35 miles SW of Fort Sill and about 70 miles SE of Altus Air Force Base. This combination makes SW Oklahomans big supporters of the Military.***

***God Bless and God's Speed,***

***Robert Allen Smith,  
President***
